– KA 2 Strategic Partnerships VET

GA Number: 2020-1-IT01-KA202-008445-CUP G36G20000370006

This call aims to invite participants for free testing the innovative path in the field of professional training for the local public transport system. The goal is to train a new professional profile specialized in the local public transport environment.

The outlined training program will focus on sustainability, creation of an integrated passenger transport system, digitalisation and transversal skills, in line with current European policies (eg European Green Deal).

The **training methodology** includes:

- 1) Basic training (April - May 2022 – 75 hours): learning platform with all OERs. Participants will have access to the platform and will have to pass all modules to complete the course.

Activity	Time
Access to materials online	APRIL 2022

2) Work-based experience (June-July 2022 – 75 hours): participants will increase their familiarity with the reference sector and with the

problems and criticalities that local public transport companies are called to face.

Learners, through desk and field surveys conducted with the support of their tutors (DISCOVER PHASE), will have to identify a possible area of criticality or improvement (DEFINE PHASE), coming to define a possible innovative solution (simulation) (DEVELOP PHASE), which will be shared with all the stakeholders involved through a final report (internal presentation) on the activities carried out (DELIVER and ASSESSMENT PHASES).

Learner target:

Professionals with a degree in engineering, economics, geography, urban planners, higher level training cycles in transport:

- o Unemployed or first-time job seekers
- o Employed workforce in the public transport sector that needs to be retrained and/or gain new expertise

According to the project, the selection will involve a maximum of **25 students** with a master or bachelor degree divided as follows:

Italy: 15

Croatia: 5

Spain: 5

Necessary requirement:

- o English language level B1

Registration is open from 25 February to 25 March 2022 (12:00). Candidates will be informed of the selection results within 7 days of the closing of the call.

The selected candidates will be given access to the e-learning platform with the uploaded OERs. In the WBE phase, students will be divided into groups consisting of a minimum of 2 and a maximum of 5 people (possible criteria: diversified skills, study background, preferences, etc.).

The term of the training experience is scheduled for the end of July 2022. The aforementioned program may be subject to changes in the dates.

Any complaint can be submitted within 7 days from the communication of the outcome and will be dealt with by the academic members of the ELPT Project.
